How do I rent?

It's easy! There are over 500 titles available for rent! You can shop at www.unobookstore.com (click on "Buy & Rent Textbooks") or come into the store. If you decide to rent instead of purchasing, you will be asked to provide a debit or credit card to secure the rental.

What if I don't return the book?

If the book is not returned, your credit or debit account will be charged for replacement.

What if I drop the class?

Our textbook rental program follows the same return policy as purchasing the textbook.

Why are all books not available for rent?

In order for a rental program to be successful, the textbook needs to be used for multiple terms. We have selected over 500 textbooks which we are assured will be reused next term either on our campus or elsewhere in the country.

Is renting a better deal than purchasing?

We offer you the option of purchasing the textbook (new or used) or renting it. It's up to you to decide which is the best option for you!

Why do I need a credit or debit card now? Is it charged when I pick up the book?

The only charge associated with textbook rental is the rental fee. Your card is not charged for any additional fees unless the book is not returned. We require that you use a debit or credit card to ensure that your textbook is returned.

Where do I return the textbook at the end of the term?

You return your textbook to the UNO Bookstore
